For the other two verses in this song, just replace the first line with:

2nd verse - I wanted some money cause I had none.

3rd verse - Robbin' banks with a cream bun.

The most recent child friendly verse is:

Breaking wind in the back seat

I did a pop-off and it smelled sweet!

Moves Like Jagger

by Maroon 5

This is just the chorus but the verses follow the same chord progression. The lyrics are based on the Kidz Bop version where they've been changed quite a lot to remove adult content.
