Somebody That I Used To Know

Gotye

[Bass][Strummers ||: a Dm g C :|| keep playing for most of song]

[Riff 1]

[Male voices:]

Now and then I think of when we were together
Like when you said you felt so happy you could die

[Alt Dm] Told myself that you were right for me

[Alt Dm] But felt so lonely in your company

[Alt Dm] But that was love and it's an ache I still [Alt Dm] remember

[Riff 2]

You can be addicted to a certain kind of sadness
Like resignation to the end, always the end

[Alt Dm] So when we found that we could not make sense

[Alt Dm] Well you said that we would still be friends

[Alt Dm] But I'll admit that I was glad it was over [Alt Dm]

Alt Dm 7555
on beats 1&2

Note: Riffs 1&2 can
be done by the same
person but riff 3 has
to be another.

[Chorus - All Voices:] [Riff 3 repeats through chorus]

But you didn't have to cut me off

Make out like it never happened and that we were nothing

And I don't even need your love

But you treat me like a stranger and that feels so rough

No, you didn't have to stoop so low

Have your friends collect your records and then change your number

I guess that I don't need that though

Now you're just somebody that I used to know

[Riff 1&3]

Now you're just somebody that I used to know

Now you're just somebody that I used to know

[Riff 2]

[Female Voices:]

Now and then I think of all the times you screwed me over [Riff 4]

But had me believing it was always something that I'd done [Riff 4]

[Percussion - no chords or bass]

But I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch you hung up on some[STOP]body

that you used to know

[Riff 3][Chorus - Male Voices][Female VHs 1] (*Ohh ohh ohh, Ohh ohh ohh...*)

[Riff 1 & 3 x2]

[Male voices:] Somebody **[Female voices: VHs 2]** (*I used to know, that I used to know*)
